

## Learning and Media Group (LMG)

LMG is a research co-operation between The University of London (London Knowledge Lab & Institute of Education), University of Stockholm, Freie Universität Berlin, Universität Kassel and University of Gothenburg. The focus of the group is to explore issues of how learning and communication of knowledge are transformed by the increasing multimodality of digital media. LMG meets one to two times a year for seminars in which the work at the various units are presented. Participants are:

London: Gunther Kress, Carey Hewitt, Sara Price, Jeff Bezemer

Gothenburg: Roger Säljö, Jonas Ivarsson, Jonas Linderöth, Åsa Mäkitalo, Ulrika Bennerstedt

Stockholm: Staffan Selander, Anna-Lena Rostvall, Eva Insulander, Fredrik Lindstrand

Berlin: Christoph Wulf, Birgit Althans, Juliane Lamprecht, Kathrin Audehm

Kassel: Ben Bachmair
